Community Notice
Christmas Per Diem Payment to All Ojibway Nation of Saugeen Members

Dear Ojibway Nation of Saugeen Members,

We have determined that it is important to make sure all our families are looked after, as part of our Christmas outreach program. **While our previous Christmas hamper program has met the needs of our local families, we want to make sure that all our members' Christmas needs are met.** We have met and spoken to many community members and have determined there is wide support for payment of a **Christmas Per Diem** payment to our members. That way all our families can use the cash to meet their immediate needs, and their children's needs, during the holidays. The **Christmas Per Diem** will replace the Christmas Hampers we have in the past delivered to all local families. We will still host a traditional Christmas feast for all those that wish to attend our community Christmas event.

We need to make sure we have accurate address and contact information for all our members, including our off reserve members, so that we can effectively issue the **Christmas Per Diem** cheques. We will begin immediately collecting current contact information on our membership.

Our sound financial management means that we are in a financial position to provide a **Christmas Per Diem** payment this year in the amount of **\$100.00** per member who is 18 or older, as of December 31, 2019. Please fill out the attached Application Form, so that we can process your payment and update the contact information we have for you.

Miigwetch,

Chief Edward Machimity
