HEALTH AND SAFETY POLICY ON ILLEGAL DRUGS

First Mining Gold Corp is committed to protecting the safety, health, and well-being of all workers and other individuals in our workplace. The Company also strives to maintain a workforce free from the influences of illegal drugs and substance abuse, recognizing that alcohol abuse and drug use pose a significant threat to our goals. We have established a drug-free workplace program that balances our respect for individuals with the need to maintain an alcohol- and drug-free environment.

It is, therefore, a violation of company policy for any worker to possess, sell, trade, or offer for sale illegal drugs or otherwise engage in the use of illegal drugs, intoxicants, or alcohol on the job. First Mining Gold encourages workers to voluntarily seek help with drug and substance abuse problems.
